TWO-DAY NATIONAL WORKSHOP

**EMPOWERING AYURVEDIC DOCTORS WITH APPLIED
& EVIDENCE-BASED CLINICAL SKILLS."**

ABOUT THE WORKSHOP

After the remarkable success of Ayurcon 2020, where Ayurveda physicians were trained through an intensive workshop that included a special lecture on cancer management and practical training in Agnikarma, we are pleased to announce the next chapter — Ayurcon 2.0.

This workshop aims to further empower Ayurveda doctors with practical, evidence-based clinical approaches. Participants will gain deeper insights into modern clinical applications of Ayurveda along with hands-on training in Viddha Karma, enabling them to enhance their therapeutic skills and clinical confidence.

Ayurcon 2.0 is designed as a comprehensive academic and practical platform where knowledge meets practice, helping Ayurvedic practitioners upgrade their clinical expertise with scientifically supported methods.

ABOUT ORGANIZERS:

Vishwa Ayurved Parishad

Ayurveda, the science of life has taken off health and happiness of ailing humanity since eternity. It is a system that is built upon blissful awareness, logic, experience, knowledge, dynamism and responsive activism of Vaidya (Ayurvedic physicians).

VISHWA AYURVEDA PARISHAD (VAP), as evident from its name is a global organization of all possible stake holders of Ayurveda. VAP derives its strength from rich heritage and strong lineage of leadership of Ayurveda. It strongly believes that strength of any system lies in the individuals practicing it. As an organization VAP is committed to be a body of excellent teachers, researchers, authors, clinicians, entrepreneurs and social reformers (TRACES) who will work tirelessly to take Ayurveda to zenith of its glory collectively and individually. VAP is devoted for a healthy and happy individual, society, nation and world.
