

कामदगिरि महर्षि वाल्मीकि वनांचल स्वास्थ्य सेवा यात्रा-2026

दिनांक: 9 जुलाई से 12 जुलाई 2026

मानिकपुर कल्याण केन्द्र, मानिकपुर, चित्रकूट

About the Organization

Vishwa Ayurved Parishad is a voluntary, non-political social service organization that has been dedicated to the development and global promotion of Ayurveda and social welfare for about 27 years. With a strong commitment to serving rural communities, the organization has been conducting the Charak Vananchal Swasthya Sewa Yatra since 2018 and the Kamadgiri Maharishi Valmiki Vananchal Swasthya Sewa Yatra since 2025. Through these continuous health camps, the Parishad has proudly benefitted more than three lakh people so far.

This year, the Kamadgiri Maharishi Valmiki Vananchal Swasthya Sewa Yatra 2026 is scheduled to take place from July 9 to July 12, 2026. The primary goal of this journey is to spread health awareness and provide essential medical facilities to the Adivasi, Vanvasi, and remote populations of the Bundelkhand region, specifically focusing on Chitrakoot and Manikpur in Uttar Pradesh along with the adjacent areas of Madhya Pradesh.

During the Yatra, volunteers will conduct health screenings, organize wellness awareness programs, and refer patients who need advanced treatments to the right healthcare institutions. Beyond serving the local public, this initiative provides a profound learning experience for young doctors. It sensitizes them to the healthcare needs of rural society, offers practical clinical experience, and introduces them to traditional local medicinal herbs.

The choice of Chitrakoot for this Yatra is highly significant, as the Kamadgiri Parvat area is renowned for its immense diversity of medicinal plants and herbs. Numerous research papers have documented the rich traditional knowledge of the local communities who use these plants for various ailments. Furthermore, Kamadgiri Hill is deeply connected to Maharishi Valmiki and the epic Ramayana. It is believed to be the sacred place where Lord Rama, Sita, and Lakshmana lived during their exile, and it is also where Sage Valmiki resided and composed the Ramayana. Today, the hill is revered as a sacred embodiment of Lord Rama, drawing countless devotees who circumambulate it for blessings. Through this Yatra, Vishwa Ayurved Parishad beautifully blends healthcare service with the rich cultural and ecological heritage of India.
